

Feast of Saint Paul Parish Potluck Dinner

We invite you to join fellow Parishioners for a potluck dinner celebration of the Feast of the Conversion of Saint Paul

What we have: Bigos & bread, drinks (water, juice, tea, coffee), plates, utensils, napkins & some snacks.

What you should bring: A favorite dish to share (savory, if possible). If it needs to stay warm, please bring a hot plate, crock pot, tea light type open flame, or hot bath type heating (which we will be using for the bigos).

Where/when to bring it: You are welcome to bring the food directly to the school after Mass, but we will transport it if you want. If so, please bring the dish to the side chapel (where we have Fellowship) an hour before Mass (around 10:45-11:00, the start of RE) and indicate if the dish is sweet or savory (so we know which table to put it on at the school). Any food left in the chapel will be delivered to the school before the start of the celebration.

Dress code: Normal church attire. You are encouraged to wear traditional dress from your home country if you like. We plan on taking a Parish group picture.
